Indiana War Memorial Commission Facility Use Application and Agreement

Steps to use an Indiana War Memorial facility:

1. Determine if Indiana War Memorial Commission Facility Use Agreement (FUA) is required.

Submission of the Facility Use Agreement is STRONGLY suggested for all events & gatherings.

Generally, small gatherings of less than 15 people are permitted informal use of the outdoor spaces without submission of the FUA. These small gatherings are afforded no benefits (ie: guarantee of non-disruption & location, use of electric or water services, right-of-way, etc) as covered in the FUA, and must give-way to events & gatherings which have approval for use of the space. Engaging in any of the following actions **excludes** your event or gathering from being excluded from submitting this FUA:

- Public advertisement of event
- Invitation to the General Public
- Use of candles, stickers, chalk, glitter, rice, paint or grills/cooking appliances
- Use of sound system, public-address or bull-horn
- Use of IWM supplied electric, water, fencing or security
- Erection of tents or any structure
- Using property for more than 5 hours or to generate revenue

2. Verify availability of date and venue by calling (317) 233-0529.

3. **At least thirty days prior to event** (when possible), return completed FUA to the Indiana War Memorial Commission (IWMC) by email, fax, or mail. Upon receipt of the completed document, the IWMC will determine approval within 14 days. Once a decision has been made, you will be contacted with details and an invoice.

4. (Wedding Receptions) Enter into contract with Cibus Catering and one of the cleaning companies listed in Part VII; until this is confirmed, approval from the IWMC will not be granted.

5. Remit invoiced deposit within 30 days of approval notification. Submit caterer and bartender licenses and insurance certificate (reference Part II of the FUA).

6. (Exterior events requiring electric, water, fencing) Contact IWM Physical Plant Dir at (317) 716-8376.

7. (Large public events where alcohol is served) Contact the Indiana Excise Police at (317) 541-4100 <http://www.in.gov/atc/2410.htm>.

8. (Special Events) Contact the Indianapolis Department of Code Enforcement at (317) 327-4849 www.indy.gov/specialevents.

Indiana War Memorials Commission

I. BACKGROUND:

- The IWMC is an Agency of the State of Indiana, supported by Hoosier tax dollars appropriated from the State General Fund.
- The IWMC operates and maintains 24 acres in the heart of downtown Indianapolis. The IWMC's mission is to honor and commemorate the fidelity, valor and sacrifice of Hoosier Veterans. The User must use the facilities in a manner that is keeping with the spirit of patriotism, citizenship, and good will to others. It is unlawful to restrict the access to a venue by charging admission.
- The IWMC's properties stand as both shrines to the memory of Indiana's veterans and as beautiful examples of urban parks, monuments and memorials.
- The IWMC recognizes that one of the best ways to ensure our Veterans are remembered is to expose the largest possible numbers of visitors to the shrines/parks and structures. For this reason the IWMC has established extensive museum exhibits reflecting Hoosiers at war on behalf of the Nation. It is also for this reason that the IWMC permits and encourages the public to make use of the facilities for special events. The IWMC reserves the right to deny usage of property.
- No tax money is appropriated for the IWMC to subsidize the costs of special events; rather, the IWMC is obliged to recover those costs from event sponsors. The fees, charges and penalties set forth herein are intended to ensure that Indiana taxpayers do not cover the costs of special events.

II. USAGE FEES:

- Usage fees are established to ensure recovery of state tax dollars consumed in the event process. Costs of event planning, coordinating logistics, area preparation, security, provision of special equipment and set up are all subject to recovery on a time and materials basis.
- Actual expenditures on the above expense items vary based upon: (1) size of venue, (2) duration of event, (3) numbers attending, (4) peak attendance numbers and (5) special services/materials provided.
- It is the goal of the IWMC to ensure that all events and gatherings are successful. In the case of a small personal gathering or event of short duration for which a FUA has been submitted, the IWMC may reduce or waive fees and insurance requirements. To be considered, the User must submit a request in writing at the time of submission of the FUA. This request must include a sworn statement of hardship that the event is not supported, sanctioned or advertised by any organization, business or foundation.
- **Usage fees are waived for entities of State Government and Official Military organizations and Veterans Groups.**
- The buildings and grounds of the IWMC plaza are more than just splendid examples of architecture and beautiful urban parks. They are first and foremost, shrines to the memory of Indiana's veterans of the Armed Forces—living and dead. As such, the IWMC is committed to returning them to full functionality in not more than 48 hours from the end of a major event. Much shorter periods (12 to 24 hours) is the norm for all other events. Event sponsors must leave the venue in the same condition as before they arrived. To the extent they can do so with their own resources, they avoid paying for clean-up by IWMC staff. The following documents, procedures, and policies ensure this happens.
